

Effective July 1, 2010, the Utility Bill due date will change. Currently, the Utility bills are generated in two cycles and are delivered every month on either the 15<sup>th</sup> or the 30<sup>th</sup>. With this change, the bills will now be divided into four cycles, and will be delivered monthly based on your homes geographic location on either the 8<sup>th</sup>, 15<sup>th</sup>, 22<sup>nd</sup>, or 29<sup>th</sup>.

The major change that will result from this will be that the meter read date and the bill payment due date may be different from previous bills. The City bills every month for 30 days of water consumption. However, for the first month of implementation (July 2010), some residents will be billed for 31 to 35 days of consumption due to the length of time between the old read date and the new read date. After the first month of implementation the bills will go back to the normal 30 day read cycle.

**Current Billing (Cycle 1)**

- State Road 7 to the Eastside of Palm Ave & Red Rd South of Miramar Pkwy
- Billed monthly on the 15<sup>th</sup> and due on the 5<sup>th</sup> of the next month

**Current Billing (Cycle 2)**

- Westside of Palm Ave to US27 (Okeechobee Rd)
- Billed Monthly on the 30<sup>th</sup> and due by the 20<sup>th</sup> of the following month

---
